

# Student Loan Facility for UAE Students

## In Partnership with Yusr Pay

KIMT University is pleased to offer a student loan facility exclusively for students residing in the United Arab Emirates (UAE) through our payment partner Yusr Pay.

This initiative is designed to support eligible UAE students by providing flexible education financing, making quality higher education more accessible.

## Key Features

- Loan amount: Up to AED 12,000 per programme
- Eligibility: UAE-based students only
- Repayment: Flexible and convenient installment plans
- Approval rate: High student approval success
- Fast processing: Quick onboarding and same-day activation in most cases

## How It Works

- KIMT University will coordinate and manage the entire loan arrangement with Yusr Pay on behalf of the student.
- Once approved, the loan amount will be applied toward the student's tuition fees.
- Students repay Yusr Pay directly in easy, structured installments.

## Why Choose This Option?

- Reduces upfront financial burden
- Enables students to start their studies without delay
- Transparent and student-friendly financing model
